NOTICE TO MARINERS

NO 34 OF 2016

NHC has received notification that the following work will be undertaken on the River Usk Bridge:

Erection of scaffolding on the River Usk Bridge (M4, Brynglas Tunnel area)

Project Parties: Costain Engineering Limited for the Welsh Government.

Project Dates:

Start of erection of scaffolding: Monday 26th September 2016

Current Planned completion date: July 2017

Scope:

Scaffolding will be erected and suspended under the existing River Usk Bridge to the following extent:

Up to 2m below the underside of the bridge around the bridge piers, and elsewhere, scaffolding will be suspended 1m below the bridge structure.

The scaffold is being erected to allow access for maintenance.

These works do not impinge on the safe navigation under the bridge and therefore there will be no additional aids to navigation erected in or near the scaffolding.
