

NOTICE TO PORT USERS AND TENANTS

PARTIAL CLOSURE OF ROVER WAY

PM Monday 1st December 2014
to
Midday (approx) on Tuesday 2nd December 2014

We have been advised by Cardiff City Council of the potential closure of Rover Way for approximately 24 hours on Monday/Tuesday due to a traveller's funeral taking place

South Wales Police have advised that as cars will be parking along Rover Way from late morning on Monday, there is a possibility that it will be necessary to close the road to through traffic.

It is hoped to keep Rover Way open eastbound through Monday evening peak hour but it will be restricted in the opposite direction coming from Southern Way.

Council Staff and police will be present to assist drivers.

On Tuesday morning during peak hour there is likely to be an impact on traffic travelling westbound from Southern Way / A48 as there will be no access along Rover Way to the port entrance – there will be a need to use the alternative route of Newport Road, Central Link to Queensgate.
