

NOTICE TO PORT USERS AND TENANTS

2014 NATO SUMMIT ACTIVITY AT PORT OF CARDIFF

As you are aware, South Wales is hosting the 2014 NATO summit at the Celtic Manor in Newport and various points in the Cardiff area.

As a result, there will be a number of extra security measures in place. ABP will have additional security staff at the port of Cardiff as well as a noticeable police presence.

On certain days there will be some disruption at the port, particularly during Naval shipping movements. The main dates/times of disruption when Naval vessels are arriving are shown below

Monday 1st September - between approx 1045 and 1145

Tuesday 2nd September - between 1115 and 1300

Wednesday 3rd September - between 1015 and midday and 1215 and 1400

During these times whilst Naval vessels are in QA Lock, the area will be closed down by police and no vehicle movements will be permitted in the vicinity of the lock and QA House. Vehicles will be held on Longships Rd and Cargo Rd and not allowed to approach the QA Bridge. Therefore, staff should avoid this area during these times as the police may stop you. If you have to leave the office/port, I would suggest that you plan ahead and leave well before the vessel is due to arrive.

Additionally, all staff are required to carry their ID card with them at all times from 1st September until 10th September as you may be stopped and asked for ID.

Please see web links which will give you more information about the event. Note that these are updated daily so may be worth checking frequently.

www.gov.uk/nato-wales-local

Vessels are due to start departing on Monday 8th September so there will be some disruption due to bridge closures on the 8th and 9th, as per normal shipping movements. More details will follow once details have been finalised.

Regards
