

NOTICE TO PORT USERS AND TENANTS South Wales Port of Cardiff

Notification of Drone Survey

Port users are advised that from Wednesday 24th August 2016 there will be a land survey including the use of flying drone equipment. The survey will be carried out to the southern port boundary within the area of Longships road around to the outer lock area. The survey could take up to 2 weeks to complete due to weather.

If you require any further information please contact Mark Elliot (02920835083)
