

Associated British Ports South Wales

NOTICE TO MARINERS.

NO 16 of 2022

Bakelite Synthetics UK Ltd Dye Test Barry

Mariners are advised that Bakelite Synthetics UK Ltd are planning to undertake a dye test on their sea main section running from the tidal flap at the Bendricks out to sea.

The work will involve transferring 20 tonnes of dye from a road barrel into the effluent line and then monitoring the foreshore during the normal pumping process.

The work is planned for Tuesday May 3rd 2022 at low water 1500. The dye is green in colour and should be visible 1km out to sea for 10 – 15 mins before it disperses.
